

Q DYLAN GORRAH

I'm a **Software Developer, frontend heavy** but comfortable **full stack**, with **2+ years** of coding experience. I'm **Skilled with AI** and focus on **rapid MVP deployment**. Bonus: I'm also an IT Support Service Specialist. I've worked with a wide range of **industry-standard technologies**, and I take pride in my strong work ethic and ability to quickly pick up new frameworks and concepts.
